Forum Rules

- Each filmmaking team has 7 minutes to pitch their project including any time they wish to use showing a trailer, clips or photographs.
- One minute before the end of the allocated time, a bell will ring to notify the pitchers that they must wrap up their presentation.
- At the end of the allocated time, the moderators will step in and stop pitchers mid-flow.
- After the pitch, there will be a feedback session of up to 13 minutes, led by the moderators.
- During the feedback session, we will ask each organization seated at the pitch table to give positive feedback about the campaign possibilities of the film and how it intersects with the work of the participants. Brief questions, advice, expertise on how to move the outreach goals forward are all warmly welcomed.
